

Things We Have an Understanding About

Dress

Dress should be representative of who we are as Christian students and adults. Dress appropriately. Should you choose to dress inappropriately, you will be asked by a staff member to change clothes.

Damages

Be aware that you are personally responsible for all damages, that you do or are part of, to any of the resort facilities including your room. If damages occur, disciplinary action will be taken and costs related to repair or replacement will be billed to you or to your parents.

Resort Grounds and Activities

Everyone is expected to attend all meetings, to participate in all activities, to keep their room clean and to work on kitchen detail. This means doing what you're supposed to be doing when you're supposed to be doing it. Do not leave the resort grounds. "Lights out" means that all students should be in their rooms and lights should be out. NO GUYS in girls' rooms. NO GIRLS in guys' rooms.
